Dear Ms. Evans:

The Hawai'i Department of Agriculture, Agribusiness Development Corporation (ADC) kindly requests the publication of the Second Draft Environmental Assessment and Anticipated Finding of No Significant Impact (DEA-AFONSI) for Irrigation System Improvements in Central Oahu, Waialua and Wahiawā Districts, O'ahu, Hawai'i in the next edition of *The Environmental Notice*. This Second DEA-AFONSI has been prepared to address the decision to omit the backup disposal system that was previously proposed. Upon publication, hard copies of the report will be available at the Waialua, Wahiawā, and Hawaii State libraries.

The first DEA-AFONSI was published in the June 23, 2021 issue of *The Environmental Notice*. The DEA-AFONSI was re-published with no changes in the July 23, 2021 issue of *The Environmental Notice* to provide an additional review and comment period as requested by community members.

This letter, the PDF file, and location map have been submitted via the Environmental Review Program's online submittal form. If there are any questions about this submittal, please contact Mr. Ken Nakamoto at 586-0087 or via email to Ken.T.Nakamoto@hawaii.gov. Public comments may be directed to me, Mr. James Nakatani, Executive Director at james.nakatani@hawaii.gov.

Sincerely,

James J. Nakatani
Executive Director
